JOSH McDOWELL

Join First Priority for an evening of inspiration and hear the amazing story of Josh McDowell. As a young man, Josh McDowell considered himself an agnostic. He truly believed that Christianity was worthless. However, when challenged to intellectually examine the claims of Christianity, Josh discovered compelling, over-whelming evidence for the reliability of the Christian faith. After trusting in Jesus Christ as Savior and Lord, Josh's life changed dramatically as he experienced the power of God's love.

After his conversion, his plans for law school turned instead to plans to tell a doubting world about the truth of Jesus Christ. After studying at Kellogg College, Josh completed his college degree at Wheaton College and then attended Talbot Theological Seminary, where he graduated Magna Cum Laude with a Master of Divinity degree.

In 1961 Josh joined the staff of Campus Crusade for Christ International. Not long after, he started the Josh McDowell Ministry to reach young people worldwide with the truth and love of Jesus.

Well known as an articulate speaker, Josh has addressed more than 10 million young people, giving over 24,000 talks in 118 countries. He has authored or coauthored more than one hundred books which include, "Evidence That Demands a Verdict" and "More Than a Carpenter" and work-books with more than forty-two million in print worldwide.

Josh has been married to Dottie for more than thirty-four years and has four children.

Josh will be speaking on "Teaching Truth in Today's Youth Culture."

OUR VISION

To touch the life of every student on every campus in every community with the love and message of Jesus Christ before graduating High School.

Why? 85% of all people who do not pray to receive Christ before the age of 18...never will.

In it's nineteenth year of ministry, First Priority, a non-profit organization, works as a campus ministry of the local church. We help multi-denominational teams of churches join hands and work together as one. The result? A positive impact for the Gospel in secondary and senior high schools in the Birmingham area. Together with the support of local churches and businesses, we are encouraging our students to take a united stand for Christ.

We invite you to learn more about the impact of First Priority and encourage your support of this vital outreach.

"First Priority is the most effective comprehensive Youth Strategy I've ever seen."

Josh McDowell

"I love what First Priority stands for. I taught high school and know how these young people need advice and roll models in their lives. It is a critical time!"
